Brunswick and see the fine display at J. T. Plunkett's City Drug Store.

The following from Will S. Hays, "Old Ike" to his daughter, might be read with Monday in a two-horse wagon, was struck profit by some we know of around here "Look heah, Hannah, if you want dat ar greazer in de barber shop I seed you wi ter meetin' yesterday to hug you, an' you can't get along wid out it, you tell him yo fodder says dat he used ter hug yur mudder at home in de parlor, an' not gwine round to de hotels and udder public places kicking up yer heels and lettin dat nigger squeeze you in the presence of decent peo ple. You quit dat-you cotch dat from de white folks, an I don't low it no mo."

The O. A. O. had a pleasant meeting a the residence of Mr. J. C. Miller Monday evening. The discussion of Shakespeare was postponed to next meeting, to be held folding a tale that will make your hair at the rooms of Mr. Goldsby Monday even- stand on end and the blood curdle in your ing, when Judge Isbell will deliver an veins, and farnish matter for a riproaring, opening address on the subject. Following first class' sensation with which to "dope s the programme for the meeting to be Madame Scandal at regular intervals durheld on the 15th:

.....Mrs. Goldsby Reading Horace Kellogg Estay......Mr. Singleton

Marshall to build a branch road from that place to Sedalia. The object of the enterprise is to secure competition with the Chicago and Alton road. And the citizens of Sedalia are moving in the same direction, as they are very anxious to secure competition with the Missouri Pacific which has long enjoyed a monopoly in transporting the surplus produce of this section of the state. And to more perfectly secure this competition they propose that the new line shall be independent of both

an artful counterfeiter. Approaching a a gentleman at one of the hotels, he offered for \$100. This excited the suspicion that heretofore contentious Guy made tracks for he was trying to exchange his counterfeit bills for good ones, and he was arrested at

Applegate & Martin have received another large stock that order, but as an extended notice of of Ladies' Cloaks, embracing all the latest stlyes.

of giving a series of entertainments, the proceeds to be devoted to the building of a very properly clossed the court house against most public entertainments, as it should have done long ago. This being in Capital City all have clean feet. the case, we are bound to provide a hall for holding public meetings, concerts, lectures, &c., or do without, and of course we December 6, and she now seems aston cannot do without. The fact is we must ished that such a row should be kicked up hare a hall, either public or private. The over a little corn. Owls think they could raise quite a fund for the purpose of aiding in building a public hall, as it is thought our citizen would take a lively interest in such a move. It is most likely that new buildings will be erected here next year, of which the second story could be secured on reasonabl terms. Talk the matter up.

A New York exchange remarks that "the rage for tattooing their legs, which is said to be the latest mania among some English ladies of the 'apper classes,' is bardly likely to last long. As soon as its existence becomes popularly known the female pedestrians and the ladies of the opera bouffe are sure to adopt it, and not only to adopt it, but to so tattoo their initials, crosses, and other favorite devices, that these adornments can be easily distin guished during public performances." Now this sort of thing may all be very well as applied to the spindling shanks of the ladies of the upper ten in England; day evening, Nov. the 29th. Two young but we incline to the opinion that Keytesmen, named Johnson and Harpstes, rode ville belles will have slight occasion to rein to town that day, for the purpose of sort to the painful process in question as a "making things lively." After imbibing beautifier so long as nature unadorned whisky pretty freely for some time, they continues its present attractions in which our girls are proud.

FATHERS AND MOTHERS. As you love the welfare and happiness of your little ones, do not fail to go or send to J. T. Plunkett's City Drug

Store, at Brunswick, and buy them a

It is really refreshing to see so many o our exchanges runing from a dozen to twenty-five columns of advertisements, even if the Courier hasn't more than four Well, we have done the best we could for our business men, town and our county, and we propose to continue to do so. The people through the county generally have exhibited that degree of appreciation of our efforts calculated to encourage us to LaPlata Home Press: "Let this little put forth renewed efforts to furnish them year ago a large stout and hearty man left vance the material interests of the county, this neighborhood for Kansas. He had a and we propose to push forward with all good little farm, upon which he made a the energy at our command. We think, good living, but was not content, but must however, that our business men generally a small bill unpaid. He thus writes to his by a little freer use of our advertising hat, all the new styles, and at prices heating ann cooking toves ever brought greditor: 'I would have written sooner but columns, and we should be glad to have to suit everybody—just received this week.

Twome died of liver complaint? One as the goods can be haven North Missouri.

Lewis Bunnel is a well-to-do farmer of est Designs made, of Imported and Do Randolph, and has a beautiful daughter his pretty cousin. The Kentucky youth finally proposed, but the girl said she could not marry without her father's consent. The old man took his nephew to Moberly Monday to take the train for his Kentucky ome. The loved one was also presen thinking perhaps at the last moment con sent would be given. The train whistled The young man, giving up all hope, burst into tears. "I love her, and will die if he don't let me have her. We must marry, or be undersold, nor do they propose to allow I will die. I love her, I love her." The their stock of goods to run down; they train was almost ready to start, when the have just received a very large lot of dry young man stepped aboard, still crying. goods, notions, etc.; also a new supply of The old man stood on the platform with his daughter and calmly watched the train pass out of sight. Pshaw, wouldn't it have been fun for us in days of yore to have get it at Applegate & Martin's, and at the snatched that girl into our arms, sent the old man on about his "biz," and "Calmly passed down the stream of bliss With my darling by my side."

FARMERS. We buy your corn. We buy your produce. We pay the highest market

price. C. A. SCOTT & CO. She Ment Business The neighborhood in which Mr. John Gallager resides, about four miles southwest of Westville, was shook from center to circumference Thursday of last week. The exciting affair that caused this sudden convulsion in the community was partici-

pated in by Mrs. Gallager, wife of John Gallager, and Mr. Guy Mitchell as star impatient reader, we know you feel that we are just on the eve of un-

ing the dull days of winter. But we propose doing no such thing. Mr. Guy Mitchell simply rented some land from Mr. John Gallager, which he planted in corn. Last week the tenant began .. Effic Veatch gathering the corn, and soon Mrs. Gallager became convinced that her John was not receiving a fair divide, and so she told Guy to stop gathering corn until further notice. But Guy thought it was good weather for the business, and worked on

just as though nothing had happened. But if Guy supposed he could quietly rocced to gather that corn over Madau ialtager's orders he was doomed to disappointment, as the sequel shows. Mrs. G. went to the field and ordered Guy to "git." and as he did not move quite lively enough to suit her majesty she drew from "under neath her cloak" a double-barrelled shot gun and sent one charge in the direction The conduct of a stranger on the streets of Guy's mortal frame, but a little too of Paris, Monroe county, a few days ago, high to do effective work. She immediinduced the citizens to believe that he was ately "drew a bead," with the intention of gentleman at one of the hotels, he offered of give him a five dollar bill for three college, which was declined of covers which was declined to be a test of the other than the other thas the other than the other than the other than the other than th to give him a five dollar bill for three dollars, which was declined of course, rifle from the house, when the old man sale dollars, which was declined of course, rifle from the house, when the old man sale dollars are right from the house are rig gentleman he offered to exchange \$250 took her in out of the damp, while the

The same evening Constable James Fulonce, and searched, but to the surprise of ler was sent after the warring Mrs. Gallaevery body no cheap money was found on ger to bring her before his honor, Esq. Bills, to show cause why she should not be condemned to penal servitude for violating the high and supreme in thus attempting to make bologna sausage of the

blood and meat of Guy Mitchell. The constable served his warrant without difficulty, when Madam Gallagher remarked: "Oh certainly, sir; I would sooner go to jail than remain among such The O. A. O. is considering the propriety trash. But, please sir, may I have time to it, for our young folks are laying their wash my feet; I may have to go to Keytes- plans to have a jolly Christmas. ville before I get back."
